

Stage 8: Big Jake

You, Big Jake Mc Candles, have received a wire from your estranged wife about the kidnapping of your grandson. You arrive on the next train, then set out with your dog, an Indian scout, two crabby sons, and a box full of money to ransom him. Along the way you get reacquainted with your sons and learn the old west ain't what it used to be. While trying to protect the strong box one night, the boys learn you ain't payin' for your kin - except in lead. When you take the box to the night meeting with the kidnappers, the boys are hidden in the dark to back you up. After the kidnappers bring out Little Jake, you open the strong box, and decide it's time to end this family outing.
